Shooting Sports

We will be having a Shooting Sports enrollment meeting and Safety Meeting on Tuesday, May 11, at 6:30pm at the 4-H Office, 110 Broadway, LaCenter. The safety meeting is mandatory for starting the shooting sports program. Youth will be meeting with Coaches Dale Parham, David Woodall and Coordinator Deena Myatt. Stacy Blankenship and Roxie Blankenship will be going to Rifle and Coordinator Training respectively in June.

Teen Scene

Shadowing 4-Hers will be having an etiquette luncheon with their mentors on Wednesday, June 2, at the Extension Office. Details will be sent to participants.

Congratulations!

Molly Harris won the Mock Interview judging and will be representing Ballard County on May 3, in the Purchase Area event.

4-H Camp

We will be going to 4-H Camp on June 7-10. Camp will look different this year but will still be a great experience. We have nearly filled all our spots and could take another 6 boys IF I can get counselors for another cabin. Please contact me if you are an adult male or a very responsible teen 16-17 years old and you would like to go to camp with us. Again, this is only if we secure more counselors. Right now we have a waiting list for boys and could only take 3 more outside of the current waiting list.

Fair

We are looking forward to having lots of exhibits at the fair this year. We will be giving \$400 in premium money sponsored by GEO Consultants Corporation. If you have made items from our kits or have done some art work or like to cook or so many other activities, please come by the 4-H Office and pick up a 4-H Fair Exhibit Book. Or you can call and we can email it to you. We have so many categories to choose from.

Also be watching for some project days to make an annual bucket garden, loom pot holders and more. All that can be entered in the fair for money.

Kids Helping Kids

4-H, FFA, Ballard County 4-H Council and Ballard Memorial FFA Alumni have joined forces to put on an amazing silent auction to benefit Emily Dulworth and Hudson Pace. We are hosting it in conjunction with the Ballard County Fair Tractor Pull on Saturday, July 10. The silent auction will take place between 5:30 and 9:00pm at the fairgrounds. Come see us and support these Ballard County families who are fighting cancer. #noonefightsalone
